EDUCATION

Diploma of Associate Engineering (DAE) — Information Technology
Construction Technology and Training Institute (CTTI), Islamabad

Sep 2023 – Jul 2026

Matriculation in Science (Biology)

Allama Iqbal Model School & College, Islamabad

2021 – 2023

PROJECTS

► Mines & Minerals World – WordPress Business Website

Worked on a WordPress-based business website for a minerals and gemstones company. Managed website pages, content organization, layout customization, and overall website structure to maintain a professional online presence.

Website: minesandmineralsworld.com

► Kitaab Faroosh – Educational Marketplace Platform

Developed a student-focused online marketplace for buying and selling educational materials with structured categories, user-friendly navigation, and practical marketplace UI/UX design.

Technologies: HTML5, CSS3, JavaScript, Node.js, Express.js, MySQL, Git, GitHub

► NH Network Platform – Investment & Learning Website

Built an investment awareness and online earning platform with organized learning sections, guidance pages, and engagement-focused website layouts.

Technologies: HTML5, CSS3, JavaScript, Node.js, Express.js, MySQL, Git, GitHub

► Dropify – B2B Dropshipping & Wholesale Platform

Designed a B2B ecommerce platform connecting dropshippers and wholesalers, including product trading features and an investment support system for new sellers.

Technologies: HTML5, CSS3, JavaScript, Node.js, Express.js, MySQL, Git, GitHub

► Custom Ecommerce Store Management System

Developed a complete ecommerce management platform with admin-controlled product management, order tracking, inventory handling, and customer management features without relying on platforms like Shopify.

Technologies: HTML5, CSS3, JavaScript, PHP, MySQL, Git, GitHub

COURSES & SELF-LEARNING

- Shopify Dropshipping & Ecommerce – Store setup, product listing, and online business workflows
- SEO & Digital Marketing – SEO basics, social media marketing, Meta Ads, and TikTok Ads fundamentals
- Ecommerce Business Models – Wholesale, Private Label, and Online Retailing concepts
- AI Tools & Productivity – Practical use of AI tools in development, marketing, and workflow management
